_____

STATUS OF INFORMATION RESOURCES AND ITS MANAGEMENT IN THE DR. AMBEDKAR CHAIRS SET UP IN UNIVERSITIES OF MAHARASHTRA

Dr. Ravikiran Jadhav
D.B.F Dayanand College Of Arts & Science , Solapur, Maharashtra.

ABSTRACT

Libraries have dependably been one of the significant organizations for offering access to information. In any case, there has dependably been compartmentalization of clients and library administrations. This circumstance needs to progressively open up to creative thoughts for better usage of library assets and administrations by more various gatherings as opposed to the traditional client gatherings. A wide range of libraries have their particular customer base with almost no covers. Customarily libraries have assumed an imperative job in instruction and have offered access to data and learning to various gatherings of individuals.

KEYWORDS : *Libraries , compartmentalization of clients.*

INTRODUCTION

In any case, libraries have remained entirely inside their foreordained territories of exercises and have obliged their very own confined customers. Albeit scholastic libraries are basic to the administration of academic correspondence the unique libraries are additionally imperative. Comprehensive, speedy, and pinpointed administration are its exchange marks. In any case, the advancement of unique libraries has been slacking because of insufficient improvement in the library training field. The extraordinary libraries give explicit writing and helps scattering of ongoing material on late considerations. On the social viewpoint (like that identified with different seats like the one for example Dr. Ambedkar Chair) the unique libraries have an extensive task to carry out in which they should give the scientists and different academicians to fundamental data identified with work and thought of such individuals.

Dr. Ambedkar Foundation sets up Chair to pay tribute and helpful respect to the memory of Bharat Ratna Babasaheb Dr. B. R. Ambedkar, an extraordinary pioneer, law-provider, constitution-producer, social-reformer, researcher, scholar, rationalist and legal scholar. The prime object of setting up of Chair is to give important offices to attempt studies and research by educated people, academicians, researchers, analysts and understudies to comprehend, survey, break down and spread thoughts, belief systems, musings and missions of Dr. Ambedkar, and furthermore to give chance to create suitable techniques and systems to make an interpretation of them into reasonable recommendations. Thus, in perspective on the abovementioned, this examination has been done to evaluate the accessibility of data assets in the libraries of Dr. Ambedkar Chairs set up in the colleges of Maharashtra.

RESEARCH METHODOLOGY

The likelihood of accomplishment of an examination is incredibly upgraded when the "start" is accurately characterized as an exact explanation of objectives and defense. Thusly, this segment of the section reports the establishments of the reasonable and strategic structure of the present investigation. This area displayed subtleties of the exploration procedure embraced for this investigation.

_____

_____

Research design

The present investigation utilized a system of contextual investigation that looks to decide present status of the assets accessible at Dr. Ambedkar Chairs set up in different Universities of Maharashtra and the potential for advancement of an online database the executive's framework for dealing with these assets.

Primary Data Collection

The essential information gathering was finished utilizing an organized information sheet. The way toward building up the information sheets for this investigation depended on commonly acknowledged standards of instrument plan, and was completed by the standard system. Scientist himself visited the Dr. Ambedkar Chairs set up in different Universities of Maharashtra and gathered the data from these focuses.

Secondary Data Collection

In the present investigation, the auxiliary information has been gathered from various National and International Journals, Government reports, and from the worry sites.

Scope & Limitations

This exploration incorporates investigation of Resources accessible in colleges of Maharashtra did in the branches of Dr. Ambedkar seat. The chose colleges are I) Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur and ii) S. N. D. T. Ladies' University, Mumbai.

Results of the study
Institute wise distribution of Resources

Table 1: Institute wise distribution of resources (Books, Magazines, etc.) at Dr. Ambedkar Chairs in Maharashtra

Name of the Chair	Total	Percent
RTMNU	970	92.1
SNDTWU	83	7.9
Total	**1053**	**100.0**

The above Table 1 indicates data relating to the foundation astute dissemination of data assets (Books, Magazines, and so on.) at the Dr. Ambedkar Chairs in Maharashtra. The outcomes demonstrated that Dr. Ambedkar Chair Nagpur at RTMNU have accessibility of generally for example 92.1% of the data assets (books, magazines, and so forth. Besides Dr. Ambedkar Chair Mumbai at SNDTWU have accessibility of some for example 7.9% of the data assets.

Gender wise distribution of authors

Table 2: Gender wise distribution of authors available at Dr. Ambedkar Chairs

	Frequency	Percent
Male	1006	95.5
Female	47	4.5
Total	**1053**	**100.0**

The above Table 2 indicates data relating to the accessibility of creators at the Dr. Ambedkar Chairs in Maharashtra. The outcomes showed that a large portion of the creators for example 95.5% of Dr. Ambedkar Chairs in Maharashtra are male. Notwithstanding it 4.5% female creators are accessible in the Dr. Ambedkar Chairs of Maharashtra.

_____

_____

Distribution of resources with respect to Language

<div align="center">

Table 3: Distribution of resources with respect to Language

	Frequency	Percent
English	394	37.4
Hindi	280	26.6
Marathi	379	36.0
Total	**1053**	**100.0**

</div>

The above Table 3 demonstrates data relating to the appropriation of accessible assets at the Dr. Ambedkar Chairs in Maharashtra concerning language. The outcomes showed that the greater part of the accessible assets for example 37.4% at Dr. Ambedkar seats are distributed in English language, trailed by assets distributed in Marathi language for example 36.0%. Besides 26.6% of the accessible assets are in Hindi language.

Distribution of resources with respect to their price

<div align="center">

Table 4: Distribution of resources with respect to their price

	No. of Books	Percent
Less than 100/-	348	33.0
100 to 500/-	450	42.7
500/- to 1000/-	82	7.8
Above 1000/-	19	1.8
Price not mentioned	154	14.6
Total	**1053**	**100.0**

</div>

The above Table 4 demonstrates data relating to the dispersion of accessible assets at the Dr. Ambedkar Chairs in Maharashtra concerning their cost. The outcomes demonstrated that a large portion of the accessible assets for example 42.7% at Dr. Ambedkar seats cost Rs. 100 to 500/ - , pursued by assets costing under 100/ - for example 33.0%. Notwithstanding it 7.8% and 1.8% of the assets cost Rs. 500 to 1000 or more Rs. 1000/ - individually. In addition cost of 14.6% of the accessible assets isn't referenced on there spread.

Distribution of resources with respect to their core subject

<div align="center">

Table 5: Distribution of resources in Dr. Ambedkar Chair with respect to their core subject

Subject	No. of resources	Percentage
Social Sciences	397	37.7
Law & Political Science	276	26.2
History	54	5.1
Philosophy & Religion	174	16.5
Commerce & Economics	98	9.3
Others	54	5.1
Total	**1053**	**100.0**

</div>

The above Table 5 indicates data relating to the dispersion of assets at the Dr. Ambedkar Chairs in Maharashtra regarding their center subject. The outcomes showed that the greater part of the assets of sociology subject are accessible at Dr. Ambedkar Chairs of Maharashtra, trailed by accessibility of 26.2% assets of law and political theory. Notwithstanding it 16.5% of the assets have a place with theory and

religion though 9.3% assets had a place with business and financial matters. Moreover 5.1% every asset had a place with history and different subjects.

Type of Technical System available

Table 6: Type of technical system available in the Dr. Ambedkar Chair

System	Frequency	Percentage
Fully Computerized	-	-
Partly Computerized	1	50.0
Manual	1	50.0
Total	**2**	**100.0**

The above Table 6 indicates data relating to the sort of specialized framework accessible at Dr. Ambedkar Chairs in Maharashtra. The outcomes demonstrated that a portion of the Dr. Ambedkar Chair has mostly mechanized specialized framework while a portion of the Dr. Ambedkar Chair has manual specialized framework

CONCLUSIONS
Institute wise distribution of Resources
• From the examination results it is clear that Dr. Ambedkar Chairs Nagpur at RTMNU have accessibility of a large portion of the data assets (books, magazines, and so forth. Moreover Dr. Ambedkar Chair Mumbai at SNDTWU have accessibility of a portion of the data assets.
Gender wise distribution of authors
• From the investigation results it is apparent that the vast majority of the creators of Dr. Ambedkar Chairs in Maharashtra are male.
Distribution of resources with respect to Language
In perspective on the examination results it is apparent that the greater part of the accessible assets at Dr. Ambedkar seats is distributed in english language.
Distribution of resources with respect to their price
From the investigation results it is apparent that the vast majority of the accessible assets at Dr. Ambedkar seats in Maharashtra cost Rs. 100 to 500 as it were.
Distribution of resources with respect to their core subject
• In view of the study results it is evident that most of the resources of social science subject are available at Dr. Ambedkar Chairs of Maharashtra.
Type of Technical System available
• On the premise of study results it is obvious that a portion of the Dr. Ambedkar Chair has incompletely automated specialized framework while a portion of the Dr. Ambedkar Chair has manual specialized sytem.
